

Presentation for Baptism

Information Sheet for Our Baptism Records

*We share your joy in presenting your child(ren) for Christian baptism! It is a great joy to realize that those receiving the sacrament are marked as Christian disciples and it is also a tremendous joy and responsibility for Christian parents and the whole church to rededicate our lives to Christ as we renew the covenant of baptism. We look forward with you to this happy event. In the meantime, **please fill out this form** for our permanent records. Thank you.*

6. Other Information

We will have chairs reserved for you at the front of the sanctuary.

How many people will be sitting with you? _____

Would you like them to stand with you during the baptism? _____

*(If **yes**, in advance of the baptism date, please extend your personal invitation to them to do so. They will come forward with you at the time of baptism.*

7. Video Clip

One way we make the service meaningful is by having a brief video clip of each family. The video will include introducing yourselves and sharing how long you've been part of Asbury's community, why it's important that you have your son or daughter (or self) baptized, and one or two other simple questions. It's an easy, non-intimidating process that usually doesn't take more than 20 minutes. Dress is casual. We will try to film these videos on the night of your Parent Orientation Meeting. Alicia Petty, Communications Specialist, will be glad to answer any questions about filming your family. Sample videos of previous families may be shown at the Parent Orientation. Alicia can be contacted at alicia@asburyleigh.org or 919-847-2818 ext. 225.
