ABOUT OUR SPEAKER

Melissa Maimone

Meet Melissa! She is an author and speaker with over 25 years of experience in ministering to women.

Melissa Maimone teaches women that an authentic life in Christ can be messy and magnificent at the exact same time.

With her unique blend of theology, humor, and insight, she provides down-to-earth lessons, practical applications, and life-changing perspectives.

She and her husband Danny have been married for 32 years and have two children. They are recent transplants to North Carolina (and loving it). She loves Jesus, her family, and her friends. Her hobbies include reading, walking, watching weird documentaries, and eating tacos.
